No problem, Carl. Do you want to take a quick look on the Sharepoint first and let me know if I should clean up (i.e. accept) the changes we have made based on Debbie's comments before sending current version to you?

Claudia

Can you send me by the end of today the latest draft of the proposed oil and gas U&O FIP so that I can send it on to Debbie Jordan in OAR?

Debbie asked that we send it today for Janet McCabe and Joe Goffman to review prior to a Monday call we have with Janet and OAR. This is at Janet's request.

Joan and Darcy, I assume that Shaun is okay sending the draft. Let me know if there are concerns.

Debbie said it was fine if we didn't have all of her comments addressed yet.

Claudia, did we get a final review from OAQPS (the OOOO team)?

Thanks
